

## **Cancellation**

# **Wooragee Easter Monday Market – 13<sup>th</sup> April**

As you may be aware, last week the World Health Organization and the Commonwealth Government declared the novel coronavirus (COVID-19) a pandemic, reflecting the widespread increasing transmission of the virus globally. In response to this, the Victorian Department of Education and Training (DET) have requested that all government schools cancel any non-essential community gatherings. As such, we have had to cancel this year's Wooragee Primary School Easter Market. This decision has been made to protect the health of our students as well as the health of the broader school community. As a school, we are grateful for your interest in being a part of this event and hope that you will continue to support us by joining us for next year's market.

To enable the school to make a refund please complete the following details and return to [wooragee.ps@edumail.vic.gov.au](mailto:wooragee.ps@edumail.vic.gov.au):

I will endeavour to make payments as soon as possible but hope you understand if it takes some time as the school holidays are starting on the 27<sup>th</sup> March. So the sooner you return this form the sooner I can process the refunds.
