WOORAGEE NEWS

Dear families and Friends,

WOORAGEE NIGHT MARKETS: The Wooragee night markets will run again tonight.

Thank you to Bonnie and Sandy who have offered to help run the BBQ. As you are aware, this is a wonderful opportunity for us to engage with and show our support to our local community. Last week was a huge success and it was lovely seeing so many of our families attend the market; as either stall holders or visitors.

CONCERT: Just a reminder that next Thursday 12th December is our school concert. Dinner will start at 5pm and you would have received the information this week regarding families (who are willing and able to), to provide a salad (4-6 students) or a dessert (P-2) students.

REPORTS: Report cards will be sent home on Monday 16th December. We welcome any students or families who would like to arrange an interview following the report card, to organise this via email or in person, prior to the end of Week 10, Friday 13th December. We do not hold a formal interview period for the report cards at Semester Two, but are always willing and happy to have an opportunity to sit down and discuss the students and their efforts. We are going to offer interviews again in Term One and Term Two in 2019.

HATS AND LOST PROPERTY: It's that time of the year again and by midday the sun is quite harsh with the UV count becoming high most days. Many students are forgetting or misplacing their hats and although we have a few spare hats, there are insufficient to provide every student with a hat. Please ensure that your child brings a hat to school. The lost property basket located at the door in Grace's classroom, is currently overflowing. It would be great if we could find a home for everything before the end of the year! Could you also please check the labels of any school clothing you have at home as we currently have a few missing items which are not in the lost property basket.

HOLIDAY WATERING/PETS: We are nearing closer to the end of the year and we usually send out a roster for watering. We currently have timers for the majority of the garden, but we will still require some light hand watering to be done in the hothouse, greenhouse and a few other areas of the garden. If anyone is interested or available over the break, please let us know. The other thing we have are the fish. If anyone would like to mind these over the break, can you please let us know and we will distribute the roster at the end of the term.

Have a lovely weekend,

Michele

Meg: Meg and Karen dancing in the school yard.

Niamh: Anouk, Artemis and I were playing shops and babies. Anouk and I were the children and Artemis was the mum. We used the box as our car.

Chloe: Yesterday I was a bit lonely because Angel wasn't here. I was looking for tiny beans in the garden. Then I rode the scooter down to the sensory garden and hid behind the mud kitchen.

Arden: At school I used to play with Matilda, since she doesn't come very often I was very lonely. Then Indigo came to our school and she is now my bestie.

Summer Watering Roster

To ensure our garden continues to thrive over the summer holidays we are calling on families to help us out with the watering roster. Please contact Bec at the school if you are able to help, and let her know what dates you can do. She will put a roster together and send it home to families.

Santa's on his way,
lollies are covered with hay,
elves say G'day,
interpreted his way,
Giving toys to lay,
he is on his way!

Excited to go,
lollies hidden low,
V.I.P's are go,
elves are ready to throw,
Santa's ready to ho!

THANK YOU

We would like to say a special thank you to:

Owen and Eric and Brian for taking our gardening program every week
