WOORAGEE NEWS

Dear Families and Friends,

STUDENT FREE DAY TOMORROW: Please remember that tomorrow is a student free day. We are using the opportunity as staff to collate data and finalise assessment pieces. Monday is also a public holiday, so it will be an extra long weekend for families.

LANDCARE CELEBRATIONS: We are looking forward to Saturday night and spending time with all of you. At this stage our desserts are outweighing our mains (which is never a bad thing!!), but if you haven't written down anything to bring as yet, we would love some more main dishes. Please remember to bring your recipe along to share as well. Just a reminder that children will need to remain in the kitchen, unless they are supervised by their own parents outside. We have some fun word games planned to play and join in with anyway, so it is sure to be a lovely evening.

JOBS LIST: In light of our upcoming celebrations I have a jobs list which we are working through. I have Joe, our maintenance man, the correctional crew and us working on this list, but I thought I would reach out to any families who may have 30 minutes or so after drop off one day or before pick up, who might be able to give us an extra hand? We just want everything looking great when we showcase our awesome little school. So if you have some time, please let me know and I can share with you what needs to be done.

CHARLIE & THE CHOCOLATE FACTORY: Final payment and numbers are required by Thursday 6th June for our Melbourne musical trip coming up in August. If you need some assistance with payment, please just have a conversation with Wendy. We want all of our children to be able to participate. It is really important we know final numbers by this date, as we have to secure our ticket allocation, or tickets will be sold.

George: In gardening we planted corallines beside the frog bog. Then we packed up. I then went bug hunting in the Nature reserve. We found mushrooms and fungus.

Georgia: Today Hope and I helped Eric to weed the tomato bed and then we started to pick some of the carrots. We found ginormous carrots in the bed. We are going to make soup with them next week.

Hunter: Today in gardening we were looking for types of moss and insects. We were looking at them with Karen the pollinator lady. I also found some mushrooms, they were poisonous.

Lachlan: Today we investigated some moss in our nature reserve. We were looking for moss and fungi. We found both of them

REPORTS: Report cards will be sent home on Friday 21st June 2019. Next week you will see the form attached to this newsletter, so that families can get in early to book a time to discuss your child and their learning at our student/parent/learning meetings which will take place over Week 10. We will need these forms back by **Wednesday 19th June 2019**, to be able to adequately set up a timetable and indicate to families their interview time slot. If forms are not returned by this date, it will make it very difficult to be able to set up times. Please just write your students name in ALL of the time slots that are suitable, so that we are aware of the flexibility of families. For **P-3 families, please be advised that if you would like Jess and I at the interviews, they will have to take place on Wednesday, Thursday or Friday.**

BOOK WEEK: We are very excited to share that we have secured an author talk for our students during Book Week this year. Jackie French, famous Australian Author of titles such as Diary of a Wombat, Hitler's daughter, fire and flood, is presenting at The Cube Wodonga on Thursday 22nd August 2019. I had the privilege of hearing Jackie French speak a few years ago and she is kind, charismatic and incredible, overcoming the challenge of dyslexia to be an exceptionally successful author. I am thrilled that the children will get the opportunity to hear her speak.

BEECHWORTH SECONDARY COLLEGE TRANSITION 4-6: Our 4-6 class will attending a transition day at Beechworth Secondary College on Tuesday 12th June 2019. Bec and Karen will attend with the students, who will be joining Yackandandah Primary and Middle Indigo Primary on this day. The students will travel by bus and the session will run from 10.15am-1:15pm. It is an opportunity for the students to get a feel for what high school looks like and how it operates. A small step in the transition support we offer our students.

Have a lovely weekend, Alicia Odewahn

Student Work

By Cooper H

Hi my name is Cooper, I was in World War 2. When I heard that I had to go to war I was shocked and scared. Now if you don't mind I will tell you the story. "It's time" said the officer, "Good Luck". I just got on the boat and said "how long is this trip to France". I had tears in my eyes and I was very young. I was 18. They had guns and fragile things and the voyage was 80 days and I made friends and before I knew it we were there. I had tears rolling down my cheek. Guns were fired for 7 years straight, then the fight came to an end.

THANK YOU

We would like to say a special thank you to:

Owen and Eric for taking our gardening program every week

Anita, Tahji, Hudson, Bec, Georgia and Von for looking after our gorgeous Dan and Stompy for us

'THE WOORAGEE WAY'

Respect: for self, for others, for our community and environment

Resilience: trying hard, bouncing back, persisting

Responsibility: for our learning, for our thoughts, for our actions

Dan the Lamb 19 days old

Height: 61cm

Length: 75cm

Weight: 7kg

Feeds: 120ml 3 times a day

Stompy the lamb 9 days old

Height: 65cm

Length: 72cm

Weight: 8kg

Feeds: 100ml 3 times a day

Both lambs are now grazing on grass and nibbling at pellets.

CHARLIE & THE CHOCOLATE FACTORY

Payment for Charlie & The Chocolate Factory is due next Thursday 6th June 2019. Please see Wendy if there are any issues surrounding this. We have to pay the theatre to secure our tickets so it's very important we know who is coming.
