2019

WOORAGEE NEWS

Dear Families and Friends,

CONGRATULATIONS: Congratulations are once again in order! On Friday a number of students, walked a team of assessors through our school. They independently answered many questions and were true ambassadors for Wooragee Primary School. We were later notified that Wooragee Primary School received full accreditation as a Five Star Resource Smart School. This is an amazing achievement and as I mentioned last week, the culmination of years of hard work.

PUPIL FREE DAY: A reminder that Friday 29 November will be a pupil free day. Teachers and staff will however be at school on this day and we will be using the time to collaboratively forward plan for 2020.

WOORAGEE NIGHT MARKETS: It's that time of year again! The Wooragee night markets will run every Thursday night for four weeks, beginning on Thursday 28 November. As a school, we will be running the BBQ. This is a wonderful opportunity for us to engage with and show our support to our local community. If you are able to support in any way, please let Wendy or I know and we can add you to the roster.

EMERGENCY MANAGEMENT: With the bushfire season approaching, I would like to remind our school community of our emergency management plan. Our Bushfire Preparedness School Relocation Plan remains the same as per 2016/17 and were approved at School Council earlier this year.

1. **Extreme Fire Danger Rating**
Parents and carers will be notified the day before.
Students and teachers will relocate to Beechworth Primary School for the day.
Address: 17 Junction Rd, Beechworth, VIC, 3747
Parents will transport students directly to and from Beechworth Primary School.
2. **CODE RED Fire Danger Rating Day**
Parents and carers will be notified via note, newsletter and Facebook page the day before and the school will be closed for the day.

A reminder, that as acting Principal, my door is always open to parents wishing to discuss their child's progress, or anything related to the school. Please do not hesitate to contact me should you wish to discuss any concerns.

Kind regards

Michele

12 th	School Concert
18 th	Whole School Activity Day
20 th	Last Day of School

Taylor: Hunter found this frog in the frog bog, it was really big and squishy. I built him a home but then I let him go.

Freddie: I was building a train with my mum!

Indigo: I was making my train, it's a different shape so it can turn off the road, I was working with Artemis.

Hunter: We were learning about cleaning up the world and looking after our environment.

Emotion Coaching: Connecting with Our Kids

Help your child to:

- Understand their emotions and be able to communicate how they feel
- Regulate their emotions and calm themselves
- Develop resilience and positive self-esteem
- Develop problem-solving and social skills
- Develop kindness and empathy towards others

This two hour session delivered by Gateway Health is for parents and carers of children 2-10 years of age who would like to learn more about emotion coaching, understanding their children's emotional development and how they can connect with their children.

Where is it held?

Quercus Beechworth
26-30 Ford Street
Beechworth
Time:
10:30am to 12:30pm

When is it?

Wednesday 4th December
2019

FREE EVENT
(Bookings Essential)
7pm - 9.30pm
Yackandandah Public Hall

Written and directed by Damon Ganeau, '2040' is a documentary film suggesting practical solutions to environmental concerns. The film is structured as a 'visual letter' to Damon's four year old daughter, who will be 21 in the year 2040. Exploring how we can manage the earth in the next 20 years, '2040' takes the viewer through ways we can improve our planet. The film's message is for a hopeful future if we continue to look after our planet. Gold coin donation to go to environmental causes.

Sponsored by: Arts Yackandandah, Yackandandah Shire, Yackandandah Community Centre

Student Work

Year Preps and Ones

Dear families,

We need your feedback! Prep and Year One students have been learning about the impact of our choices on the world around us. We are thinking about our paper use at Wooragee Primary School. Instead of printing our newsletters on paper each week, we are wondering about sending these home via email. We would love to hear what you think about this for 2020. Please speak to one of the students in Prep or Year One when you get the chance.

Thank you!

P - Year One students

THANK YOU

We would like to say a special thank you to:

Owen and Eric and Brian for taking our gardening program every week
