TERM 2 WEEK 1 2025

Wooragee Market

A successful day took place here on Monday! All our market stalls were filled, and I estimate nearly 2,000 people visited the street in front of our school. We completely sold out of baked potatoes. A heartfelt thank you to the parents and staff who dedicated their time to help us; this major fundraising event wouldn't have been possible without you. We also appreciate those who donated items for our stall, and a shoutout to the children who assisted in selling baked potatoes, lucky jars, Easter eggs, and raffle tickets. A special thanks goes to Bec and Tash for their tremendous efforts behind the scenes in ensuring the event's success.

Cross Country Training

Students in grades 3-6 will have the chance to run during their lunch breaks for the next two weeks to build their fitness in preparation for the upcoming cross country event. They will also run during PE classes every Tuesday. Please make sure your child wears appropriate running shoes each Tuesday to help them get the most out of these lessons.

Pre-Service Teachers

We are excited to welcome three pre-service teachers to our school for the next few weeks: Ebony Garoni in 5/6, Ali Fulford in F/1, and Patrick Finbar in 1/2.

School Photos

Don't forget—school photos are coming up! Orders can be placed online through Compass, and all students are asked to wear their full school uniform on the day.

Mother's Day Breakfast

Our annual Mother's Day breakfast is scheduled for Thursday, May 8th, as Friday is our cross country event. Mothers are invited to come to the school at 8 AM on Thursday morning for a delightful breakfast with their child and the teachers. After breakfast, you are welcome to join your child in the classroom to participate in some literacy activities if time permits.

School Hours

Start 9:00am Finish 3:20PM

Supervision begins @ 8:35 and Ends @3:45 (For those travelling on the Late bus)

Children will be unsupervised if dropped off or picked up outside these hours

GEM Chats Emotional Literacy

CREATING WELLBEING HABITS & CONNECTION

GEM Chats help families practice The Resilience Project's principles, offering a simple wellbeing check-in while **building stronger connections through daily conversations.**

HOW TO USE GEM CHATS

Make GEM Chats a part of your dinner routine to reflect, check in, and practice emotional literacy.

Try these prompts:

- ★ What **emotion** do you feel right now and why?
- ★ What are **some emotions** you have felt today/this week? How did you **identify** them?
- ★ Describe a moment from your day when you **felt excited**.
- ★ What emotions have you noticed today in your **friends, teachers** or **family members**? How did you recognise these emotions?
- ★ What could you do today/tomorrow to **experience a positive emotion**?

Nellie News

Nellie had such a relaxing break. There was lots of traveling to Melbourne. She particularly loved Easter time, the Macedonian Easter biscuit off the table was delicious. Everyone is looking forward to having Nellie back at school next week.
