FINISHES @ 2:20

## From the Acting Principal's Desk

### Swimming

TERM 2 WEEK 9 2025

Next week (Week 10) is our swimming week. Please check Compass for the timetable for your child/rens lesson time, plus arrival and departure times. Swimming will occur every day at the same time. If you are wanting to drop off or pick up your child/ren at the pool, please let their classroom teacher know.

### Variety Club Breakfast

We are so fortunate enough to have the Variety Club Car Show stopping off at Wooragee PS on **Tuesday 5<sup>th</sup> August**. They will be arriving at 7:30am for a breakfast till 8:30am. There will also be time for the students and parents to see the cars before they leave.

We are **seeking volunteers** to help serve and support the breakfast session from **7:00-9:00**. If you are able to help can you please fill in the form on the link or contact the school.

The Variety people have also said they would be happy to purchase tickets to a raffle.

We are seeking **donations of nice quality items/ vouchers etc to create a hamper** with. If you have anything or can source anything please drop it off at the office.

Thanks!

### Changes to report progression points

This year the Victorian Department of Education brought out a new Mathematics Curriculum called Mathematics 2.0. There are now 6 strands instead of the previous 3. There will be only one grade given for Mathematics overall. Due to it being a new curriculum there will be no progression point (the dash and dot showing movement) from last semester. Please see the Mathematics area below for what you will see on your child/rens report this semester. In Semester 2 however, the report will show the progression point.

	SEMESTER 1	SEMESTER 2	SEMESTER 3	SEMESTER 4	SEMESTER 5	SEMESTER 6
Capabilities						
Ethical Capability	D					
Personal and Social Capability	D					
English						
Reading and Viewing	C					
Speaking and Listening	C					
Writing	C					
Health and Physical Education						
Health Education	C					
Mathematics						
Mathematics	C					

### School Values Policy

I also wanted to remind everyone about the School Values and Philosophy policy. Please have a read over it in relation to how students, staff and parents are to interact with each other both within school grounds and outside such as at events or in the carpark.

School Hours

Start 9:00am Finish 3:20PM

Supervision begins @ 8:35 and Ends @3:45 (For those travelling on the Late bus)

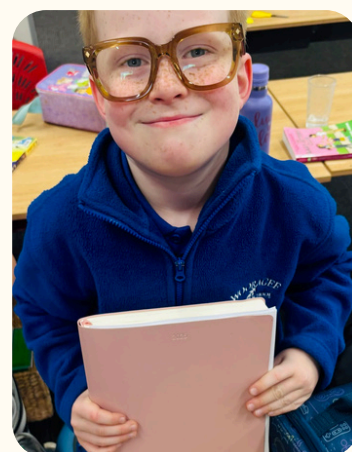

Children will be unsupervised if dropped off or picked up outside these hours

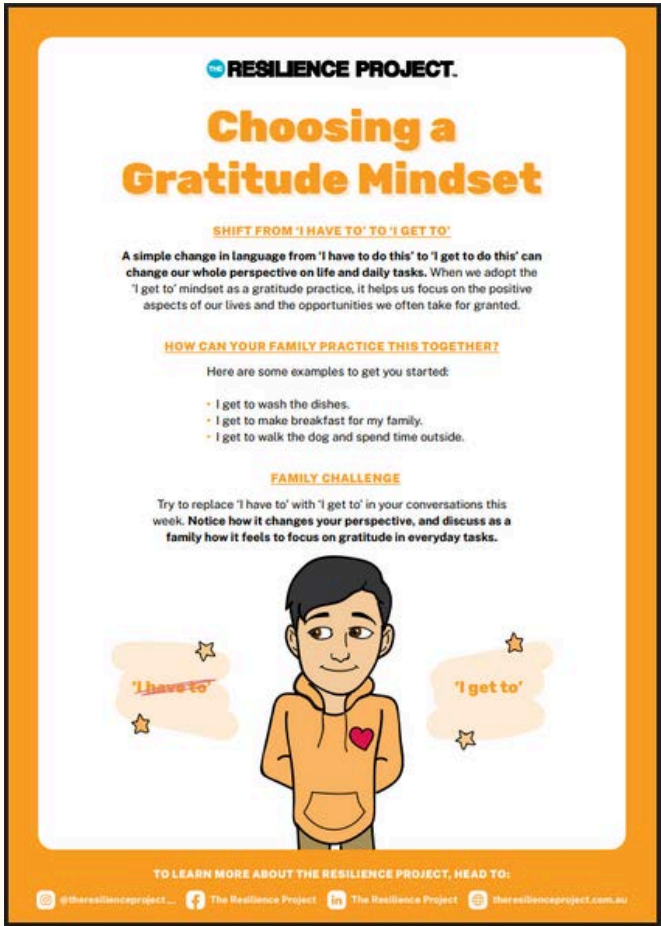

### Car Park pick up and drop off process

During our most recent school council meeting, the Traffic Management Plan was endorsed. It is a timely reminder for the process of drop off or pick up. Please refer to the image below of the process of parking cars. If you need clarification please contact the school.

Thanks,  
Grace  
Acting Principal

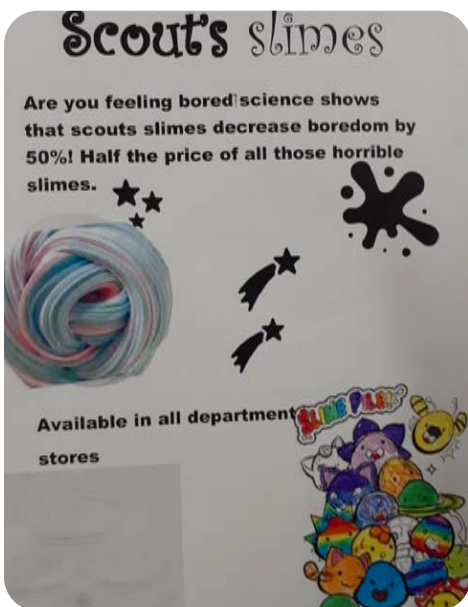

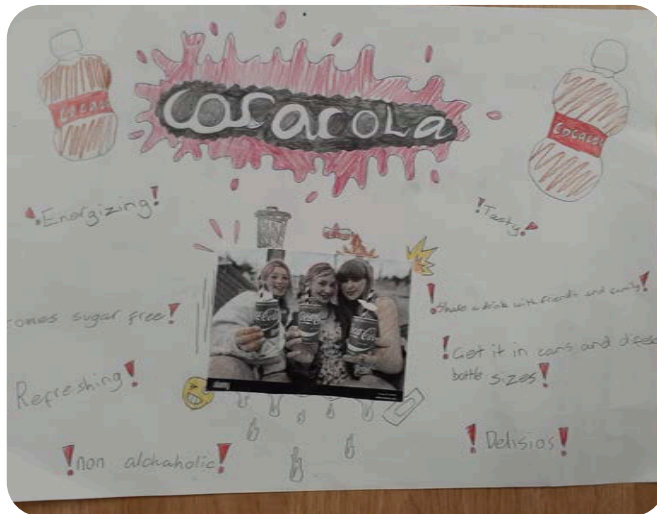

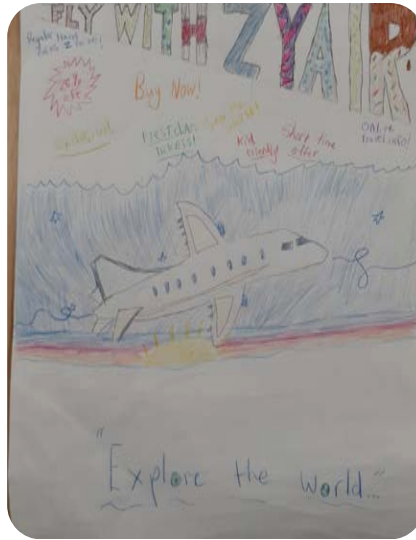

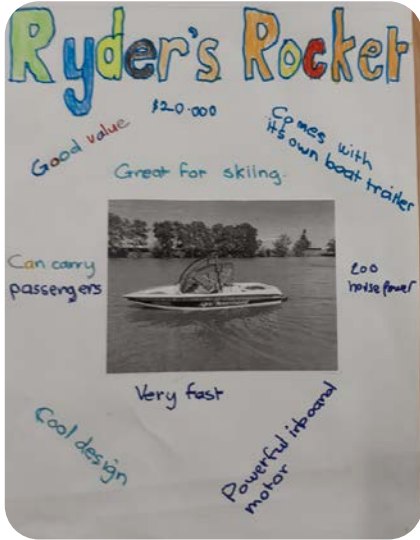

# Nellie News

Nellie is definitely feeling the winter end of term fatigue. She has been sleeping longer each night (needing to be woken up each morning to get ready for school!) and loves to curl up in front of heater at night. She has been loving the extra cuddles and pats. She has also figured out where the scrap bins are in each class and can open them with her nose. Luckily we have very responsible students who hide the bins when they see her coming.

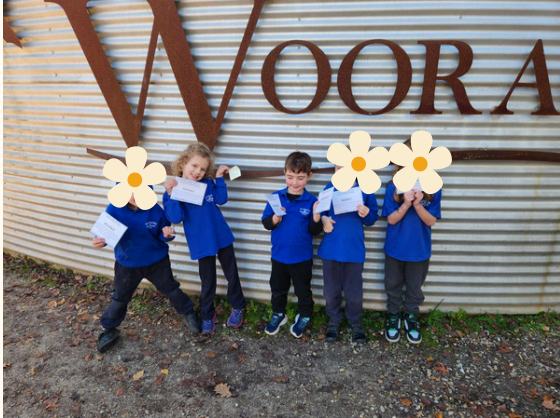

# Year 5/6

In Year 5/6 the students have been learning about the purpose and features of persuasive text. As advertising is a form of persuasion, the students were given the task of creating their own ads, using emotive language to convince the reader to buy their product.

June	July
