

## **WOORAGEE PRIMARY SCHOOL DUTY OF CARE POLICY 2025**

### **PURPOSE**

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Wooragee Primary School owe to our students and members of the school community who visit and use the school premises.

### **POLICY**

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Yard duty and Supervision
- Bullying Prevention
- Camps and Excursions
- First Aid
- Child Safe Standards
- Emergency Management
- Visitors
- Working with Children and Suitability Checks
- Mandatory Reporting
- Occupational Health and Safety

Our school acknowledges we are required to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision or authority of the organisation.

Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands

- that it owes all students a duty of care to take reasonable measures to protect them from reasonably foreseeable risks of injury
- that it owes a duty to take reasonable care that any student (and other persons) on the premises will not be injured or damaged because of the state of the premises, including things done or omitted to be done to the premises
- that it owes a duty to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision or authority of the organisation
- that different and sometimes greater measures may need to be taken for younger students or students with disabilities to discharge this duty of care

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

## External Providers

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers.
