

Wooragee Primary School Mandatory Reporting Policy

Rationale:

- All children have a right to feel safe and to be safe. As teachers, we have a legal and moral responsibility to respond to serious incidents involving abuse and neglect of the children with whom we have contact, and to report instances that we believe involve physical abuse, sexual abuse or neglect.
- The school supports a culture (values, expectations and standards) and shared commitment to zero tolerance of child abuse, and arrangements that allow it to occur will not be tolerated. The school takes into consideration the diversity of the children attending the school, and their particular vulnerabilities. e.g. children with a disability, Aboriginal and Torres Strait Islander children and children from culturally and linguistically diverse backgrounds.

Aims:

- To ensure that children's rights to be safe are maintained and each child is protected against physical and sexual abuse, and neglect.

Implementation:

- All members of the Teaching Service are mandated by law to report signs of physical and/or sexual abuse, and neglect.
- New staff will be informed of mandatory reporting responsibilities and procedures as part of their induction procedure.
- Staff will be reminded of mandatory responsibilities annually and complete online training as required by DET.
- All concerns must be reported immediately to the Principal.
- The Principal will keep a record of all discussions about a student with whom there is a concern.
- The teacher and/or the Principal class officer will contact the Department of Human Services by telephone as soon as possible to make an official notification on: **03)57220555**
- Members of the Department of Human Services, or associated support or intervention services that visit the school following a notification, will interview staff and children only in the presence of a Principal class officer.
- All reports, information sheets and subsequent discussions and information are to be recorded and remain strictly confidential.
- All incidents to be monitored, and any subsequent signs or indications of abuse are also to be reported.
